

Big Bag Dolum

Big Bag Filling

Упаковочное Биг-Бег

“Safe, Fast, and Accurate Bulk Packaging”

The Big Bag Filling Machine is designed for quick and precise filling of bulk materials such as flour, grain, and feed into large bags. With its advanced weighing and dosing system, it ensures accurate filling volumes, minimizing product loss and improving packaging efficiency.

Equipped with adjustable bag holders and automated filling controls, the machine allows smooth handling of different bag sizes. Its ergonomic design makes it easy to operate, ensuring safe and efficient packaging while reducing labor costs and operator workload.

Manufactured from durable, wear- and corrosion-resistant materials, the Big Bag Filling Machine guarantees long service life under heavy-duty industrial use. Its accessible design provides easy cleaning and maintenance, ensuring reliable performance and uninterrupted operation in demanding production environments.

Teknik Özellikler / Technical Features

Ürün Kodu / Product Code	KRM-BBF
Tartım Aralığı / Weighing Range	0-1000 Kg
Tartım Kapasitesi / Weighing Capacity	1000 Kg - 40 Paket/Saat
Torba Tipi / Bag Type	FIBC
Tartım Hassasiyeti / Weighing Accuracy	± % 0,2
Hava Basıncı / Air Pressure	5-6 Bar
Hava İhtiyacı / Air Consumption	1 litre/dk
Çalışma Gerilimi / Power Supply	3 Ph, 380 VAC /50-60 Hz
